**DATE:** July 12, 2007  
**TO:** Energy and Environment Committee  
**FROM:** Jeffrey S. Dunn, Government Affairs Analyst, (213) 236-1880, dunn@scag.ca.gov  
**SUBJECT:** 2007 State and Federal Legislation Matrix

---

## BACKGROUND:

The attached legislative bill matrix provides summaries of state and federal legislation relevant to SCAG activities and items of interest.

These legislative bills are organized by subject matter in the following categories: SCAG Position Bills, Air Quality, Energy, Environment, Solid Waste, Water, and Water Bonds. An index is provided of ease of reference.

Bill summaries include known on-record positions for other statewide organizations following these issues such as the League of California Cities, California State Association of Counties, CALCOG, and others. Also included for your information is each bill's position in the legislative process. Any bills included in previous matrices that have failed to move, i.e., 'dead' bills or 'two year' bills (i.e., that have not passed out of its first policy committee before the constitutional deadline), have either been labeled or have been purged from the matrix.
